THE SCROLL..

. . . Let the scroll
Fill as it may as years unroll;
But when again she calls her youth
To serve her in the ranks of Truth,
May she find all one heart, one soul—
At home, or on some distant shore—
"All present, or accounted for!"

1940

SUPERINTENDENT, SOLOMON J. INGRAM

S. J. Ingram

To Mr. Ingram

Solomon Joseph Ingram will complete his fourteenth year as Superintendent in Bay St. Louis with the close of this semester.

Mr. Ingram came to Bay High from Orange Grove in 1925 when the school was only a two-story wooden building and the entire enrollment included thirty-eight students and the faculty consisted of about ten teachers. In 1926 the wooden structure was replaced by the present modern brick building; and in 1936 a gymnasium, one of the finest in this region, was added. Now in 1940 eight schoolrooms are being constructed to accommodate the increased number of students.

Under Mr. Ingram's care the courses afforded the students have also been broadened and every opportunity is given for the students to better themselves. Home Economics, Physical Education, and a better equipped library and science room are only a few of the improvements made since his arrival. Much credit goes to Mr. S. J. Ingram, Superintendent of Bay St. Louis Public Schools and an outstanding school man throughout Mississippi, for the excellent school facilities in Bay St. Louis.

BAY HIGH ALMA MATER

Hail Bay High we love thee,
Sons and daughters true.
We pledge thee our love
And sing thy praise anew.
Faithfully and loyally
We'll ever honor thee,
We'll push thy colors on to victory.

Build thee more stately mansions, O my soul,
As the swift seasons roll!
Leave thy low-vaulted past!
Let each new temple, nobler than the last,
Shut thee from heaven with a dome more vast,
Till thou at length art free,
Leaving thine outgrown shell by life's unresting Sea!

ACTIVITY ASSOCIATION

The Student Activity Association, which was formed during the fall of 1936 to meet the changing condition of the new curriculum and to furnish greater opportunity for individual self-expression and organized self-control. This organization orients the students to the problems and issues of contemporary life by giving actual experience in school situations.

These experiences include organization and conduction of Regional Tournaments, the intramural program through the Point System and presentation of the May Festival.

All of these things were accomplished with a great degree of success in the session of 1939-40. Two Regional Basketball and one Boxing Tournament were held under the sponsorship of the Activity Association and drew a round of praise from participating schools.

Chief among the benefits derived from the annually successful May Festival were the creative cooperative endeavor of the students who designed, and constructed the beautiful scenery, and the successful handling of the intramural programs and the scoring of points for participation in the May Festival.

BAY HIGH'S SUPERIOR RATING BAND

The Superior Rating Bay High Band, organized in August of 1938, is under the able direction of Mr. W. C. Morgan, a graduate of the Vandercook School of Music in Chicago.

The sixty-piece band, including seven drum majors, has for the past two years participated in the Carnival parades in New Orleans, and has been acclaimed one of the most outstanding and colorful of all the other bands. In addition to this, the spectators at the majority of the football and basketball games were entertained by a wide variety of music furnished by the band.

On April 23, the band entered the State Band Contest at Jackson, Mississippi, where it won superior rating in Class C Concert work and excellent rating in drilling.

The concert compositions included a selected warm-up number and overture and the required overture.

Bay High's head drum major, Miss Amelia Manieri, obtained first place in the twirlling contest, defeating a number of opponents for the honor.

Such high rating for a two-year old band shows the result of diligent and hard work by both members and director. Although with such blazing trail of triumph behind it, the band looks forward to surpassing this enviable record next year.

THE CHORUS CLUB

The Chorus Club, under the capable direction of Mrs. Carl T. Smith, is composed of fifty-seven members from the four high school classes.

The Club enters the Gulf Coast Regional Platform Events each year in the Spring. This year the Chorus Club, who sang "Dream Boats" by Repper, placed third in Class A Schools.

On Thursday, April 25, at 8 P. M., Mrs. Smith gave her Music Recital, at which time the Chorus Club rendered several beautiful selections, "Dream Boats" by Repper and "On The Lagoon" by Brahms.

Officers for this year are Rita Benigno, president; Martha Chapman, vice-President; and Lillian Olson, Secretary and Treasurer.

THE QUARTET

Mrs. Carl Smith, graduate of New England Conservatory, has for many years produced an excellent quartet in connection with her chorus work. This year the quartet entered the Regional Platform Events Meet held in Biloxi on April 13 and won second place among Class A schools.

The selection which the quartet sang was "Sunshine In Rainbow Valley" by Hamblen.

The Current Events Club, which was organized for the purpose of creating in students a more active interest in World Affairs, is directed by Miss Julia Blaize.

The club is headed by Lillian Olson, president; Mark Solomon, vice-president; and Gertrude Monti, secretary and treasurer.

The semi-monthly meetings, which serve as an educational benefactor, have created added enthusiasm among the members.

A yearly program committee composed of Jack Baxter, chairman, and Lucy Weston and Frances Speer assisting, plan and assign the programs for the year.

Miss Blaize, director, states that students this year have taken a greater interest in Current Events than those of past years.

DEBATING SOCIETY

The Debating Society, organized by Miss Bessie Givens in the fall of 1933, has as its objectives the development of poise, clear thinking, good diction, and the creation of interest in debating.

For a number of years Bay High has held an outstanding record in the State Tournaments. This year the teams won the South District Meet by defeating Brookhaven and Hazelhurst. At the State Meet held in Jackson, the negative team defeated Canton, but the affirmative lost to West Point.

SPRING FEVER CAST

DRAMATIC CLUB

The Dramatic Club, one of the foremost clubs of Bay High, was organized in the fall of 1937 by Miss Bessie Givens to foster interest in dramatic art and public speaking.

The club offers training in two distinct fields, stagecraft and production. At the beginning of the year each member is requested to sign a paper stating his choice between the two fields.

The task of presenting weekly assembly programs was assumed by the club and many entertaining short plays were given. The year's work was crowned by the major production, SPRING FEVER, a farce in three acts, by Glenn Hughes. The cast was chosen entirely from the dramatic club by try-outs, giving everyone an equal chance. The play was acclaimed the most outstanding ever given in the Bay High Auditorium by a group of students.

Mark Solomon was selected from the club to represent Bay High in the annual Platform Events held in Biloxi. He received the honor of being proclaimed Regional Champion in declamation.

HOME ECONOMICS CLUB

The Bay High Home Economics Club, which was affiliated with the State and National Students Clubs in 1938-39, is under the sponsorship of Miss Juanita Johnson.

This year the Bay High Club is divided into five divisions, each with its own officers. Among the many aims and objectives of the club a few of the most important are to develop genuine team work and to promote friendship among its members; to encourage improvements in scholarship and creative arts and activities which will develop self-expression and help to develop good leadership and intelligent followship.

THE STUDENT PRINTS

The Student Prints, published by members of the student body of Bay St. Louis High School, made its first appearance as a mimeographed paper in October 1929, under the direction of Miss Bessie Givens, and edited by Edith Ballard.

In the fall of 1934 the paper was first issued in printed form, and a few months later the International Honorary Society for High School Journalist granted a charter of Quill and Scroll to the school.

In 1939, an International First Place Award was bestowed upon Bay High's Student Prints by Quill and Scroll, through the decision of last year's Critical Service, under the auspices of the Medill School of Journalism.

The Quill and Scroll Society, an International Honorary Society for High School Journalists, was organized on April 10, 1926, by a group of high school supervisors, for the purpose of encouraging and rewarding individual achievement in journalism fields.

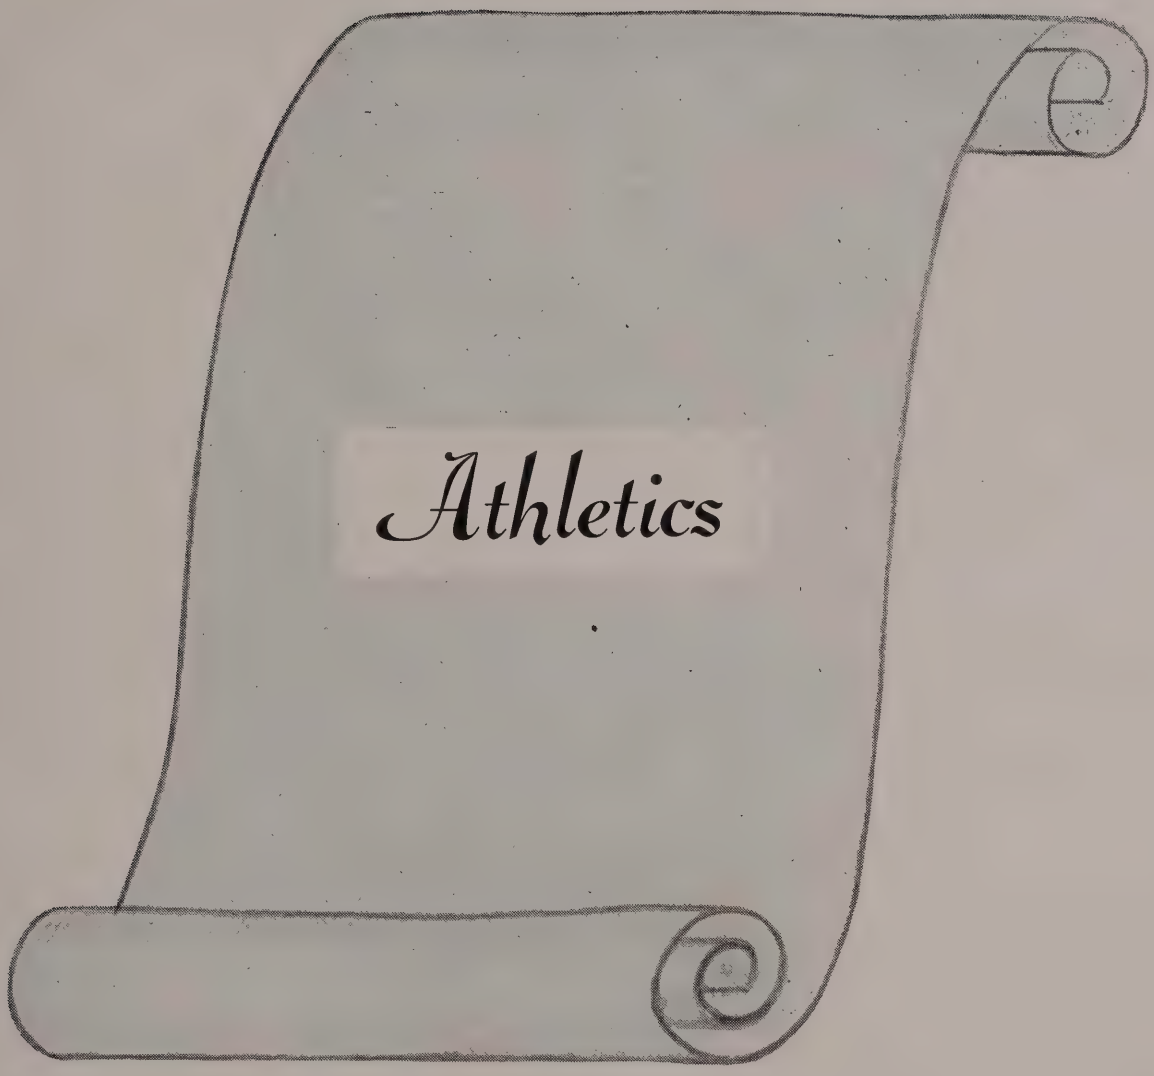
The Student Prints was granted a charter by Quill and Scroll on February 1, 1935, and the first initiation was held on March 19, 1935. Since that time membership in Quill and Scroll has been considered the highest honor in Bay High.

To become a member of Quill and Scroll, students must be chosen from those enrolled in high school who meet with the following requirements:

1. Students must be of at least Junior standing in high school.
2. They must be in the upper third of their class.
3. They must have done some superior work in creative writing.
4. They must be approved by the National Executive Secretary.
5. They must be recommended by the Faculty Adviser.

The society numbers over a thousand chapters, which are located in every state of the union, in Alaska, Hawaii, China, England, and British Honduras. Over twelve thousand high school journalists are proud owners of the badge of Society.

The yearly activity program of the Bay Chapter this year, consisted of the publication of the "Scroll" the first yearbook published at Bay High; "The Sportflash," a weekly publication of intramural sports; the "B" Book, the first handbook, published at Bay High; a complete file of "The Student Prints" issues; a presentation of over 300 books to the school library; a model initiation service, and observance of Journalism Week from May 6-9, at which time there were Journalism exhibits and lectures by prominent Journalists.



Athletics

FOOTBALL

The football season at Bay High was an exceedingly good one. Although the season was not a winning one, the team was a coordinating one, working plays smoothly and quickly. Bay High started the season with two victories and high hopes of having a winning team during the 1939 season, but due to the loss of two good players, A. J. Johnson and Jake Moreale, who received fractured legs, the prospects of such were lost. The season finally ended with 3½ wins to 5½ loses. Coach Ray Hapes did a very good job in coaching a split group of experienced and inexperienced boys into a team well worth of competition. Having played very good ball this past season some of the senior players intend going to college on their gridiron experience. The boys may make a name for themselves as past players from Bay High have done.

Although nine seniors are graduating and leaving the team, the number of juniors, sophomores, and freshmen will take over the positions left vacant. The material left behind by the 1940 Senior Class will be sufficient to maintain a good football record.

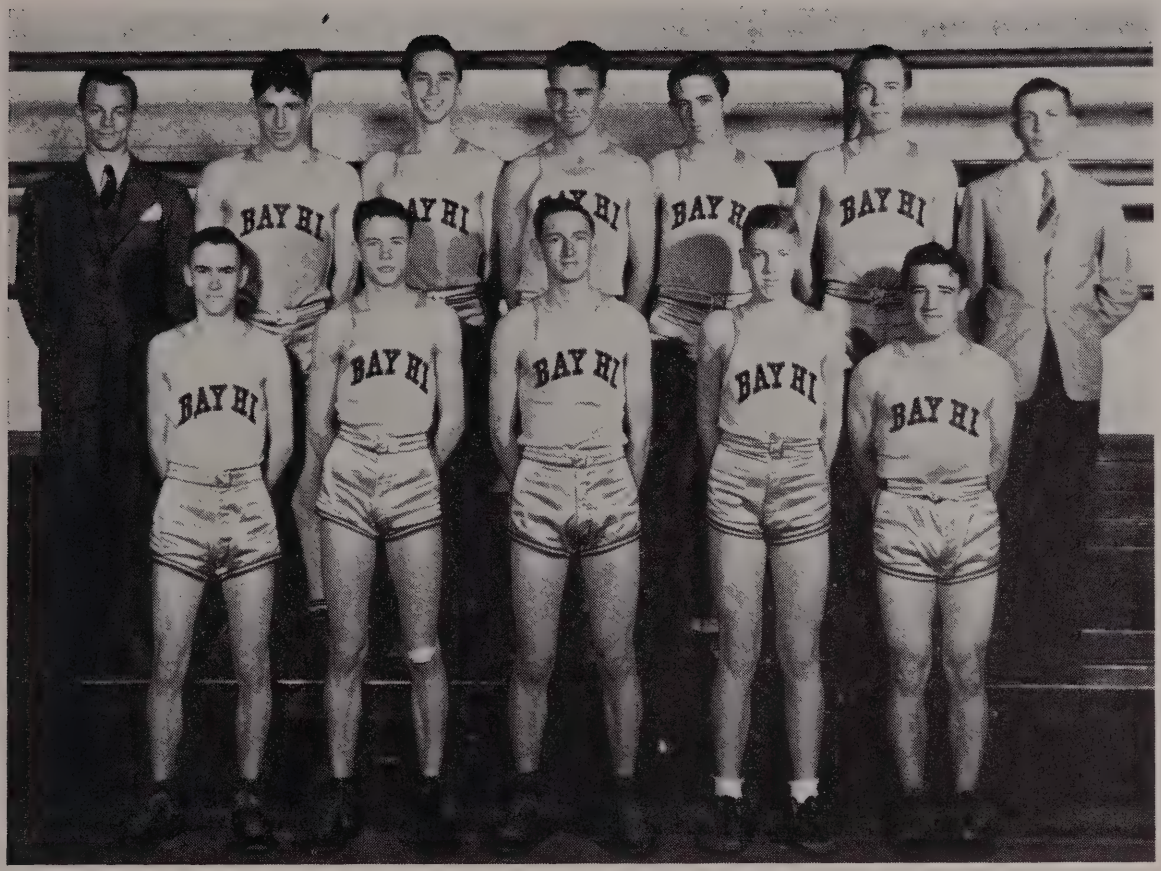
BAY HIGH CHAMPIONS

The Bay High Tigerettes began their 1939-40 session with a bang, defeating Industrial in their first game. The victorious path was continued as McNeil, Slidell, and Wiggins fell beneath the invincible stride of Bay High. In a game which furnished an unequaled lesson in the results of over-confidence, the Tigerettes met their first defeat at the hands of Slidell, losing by only one point. Two more conquests were chalked up against Lymann and Pass High. After a period of inactivity spent in recovering from a severe siege of flu brought on by unusual cold weather, Bay High received three defeats—one from Pascagoula and two from Henleyfield. Undaunted the Tigerettes beat Wiggins and sailed into the Class A and B Tournaments defeating Pass High, Biloxi, and Pascagoula to become Class A Champions and defeating Savannah and Orange to be crowned Regional Champions in both Class A and B. They were defeated in the District Tournament, held in Hattiesburg, by Buehla Hubbard.



Top Row: Coach George Westerfield, Warren Buehler, Charles Campbell, Harold Arnold, Patrick Murphy, Oscar Bragg, Frank Chiniche, Manager.

Bottom Row: Preston LeBreton, Elliot Cowand, Charles Murphy, Leo Seal, Billy Osbourn.

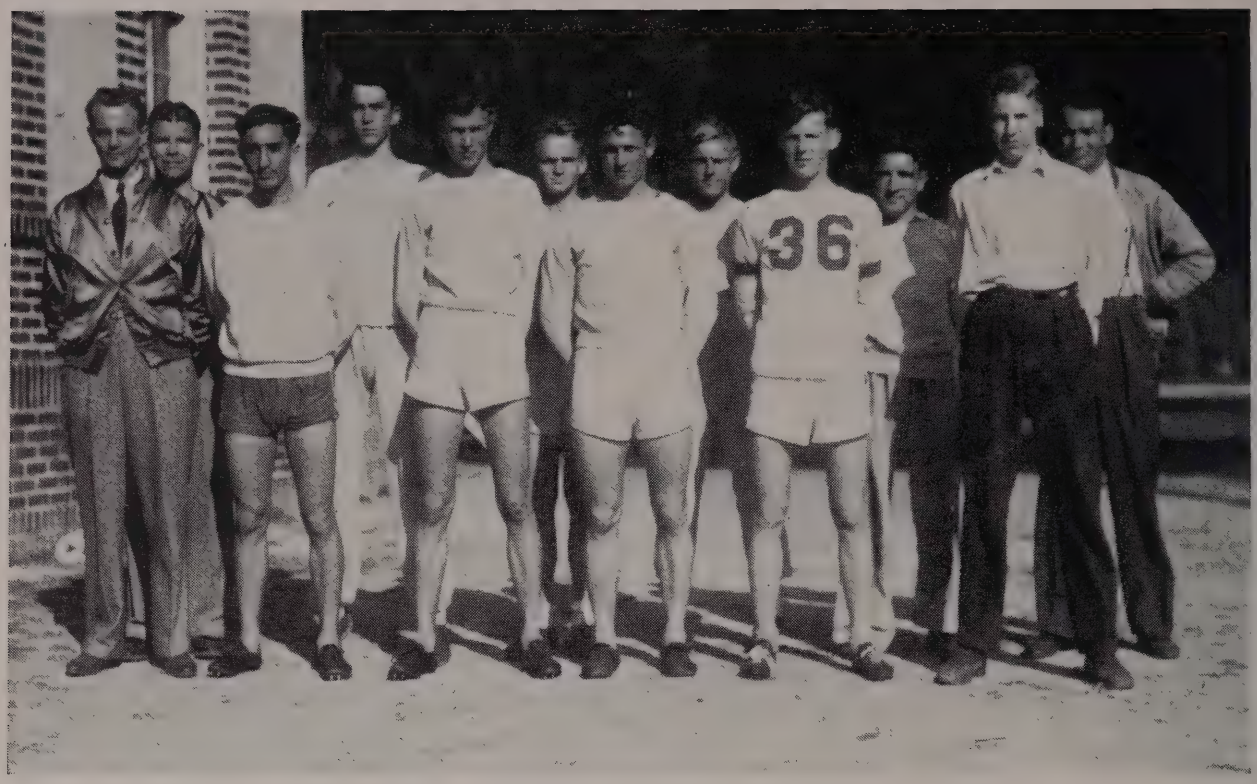
THE BASKETBALL TEAM

The Bay High Basketball Team was coached this year by George Westerfield and produced one of the most outstanding records of the school.

The Tigers, with their fast pace and excellent team work, won most of their games in this region in what were some of the most exciting games ever witnessed in the Bay High Gymnasium. Although holding an excellent record in their own region, the Tigers invaded New Orleans but were defeated by Aloysius and Holy Cross, two of the strongest teams in New Orleans.

The most unforgettable game of the season was the game between Bay High and Picayune which proved beyong a doubt what an excellent basketball club Bay High possessed. Picayune, after a hard and furious battle, emerged the victor, with the final score 38-40, and continued on to finish as Class A Regional Champions.

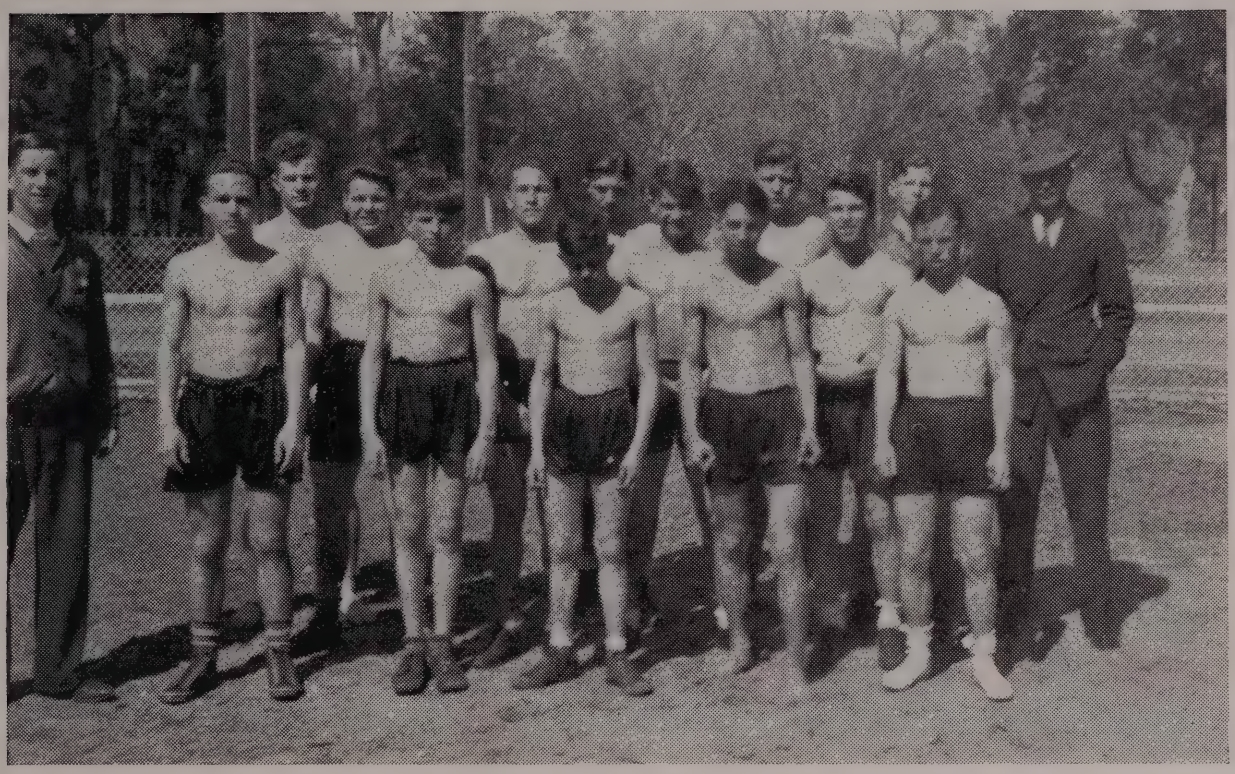
Bay High may look forward to holding an even better team in the future as the majority of the players are juniors, sophomores, and freshmen.



Left to Right: Coach George Westerfield, Milton Phillips, Manager, Steele Ansley, Orlando Goldman, Elliot Cowand, Bill Chapman, Willys Rhodes, Wesley Hicks, C. C. McDonald, Billy Osbourn, Leo Seal, Manager, Coach Ray Hapes. Mark Solomon and Jesse LaFontaine not pictured.

TRACK TEAM

The track team at Bay High this year was exceedingly good, considering the fact that the team had but three weeks of practice in which to get in condition and no interschool meets. Training was merely for the Regional Track Meet in Biloxi. Even under such disadvantages Elliot Cowand placed second in the mile, defeated by Jones, the record setter from Moss Point; and third in the half-mile. Steele Ansley placed third in the quarter mile, and C. C. McDonald fourth in the two-twenty low hurdles. Jesse LaFontaine placed fourth in the high jump while Willys Rhodes placed a close second in Pole Vault. Considering all, the season was successful.



Left to Right: Gerald Price, Manager, Russel Chapman, Tony Trenticosti, Bobby Beam, Fred Capdepon, J. C. Schwall, Jake Morreale, Bert Capdepon, Mike Rogers, Lin Rutherford, Benny Starita, C. C. McDonald, Manager, Lawrence Choina, Coach Ray Hapes.

BAY HIGH BOXERS

The boxing season at Bay High this year was a very successful one. Of the matches during the season, Bay High rated as follows: Bay High and Moss Point, 5-8 and 6-3 respectively; Bay High and Biloxi 6-2 and 3½-4½ respectively; Bay High and Wiggins, 8½-1½ and 3½-1½ respectively; Bay High and Bogalusa, 4-6 and 3-8 respectively; Bay High and Kiln 17-4, 3-2 respectively.

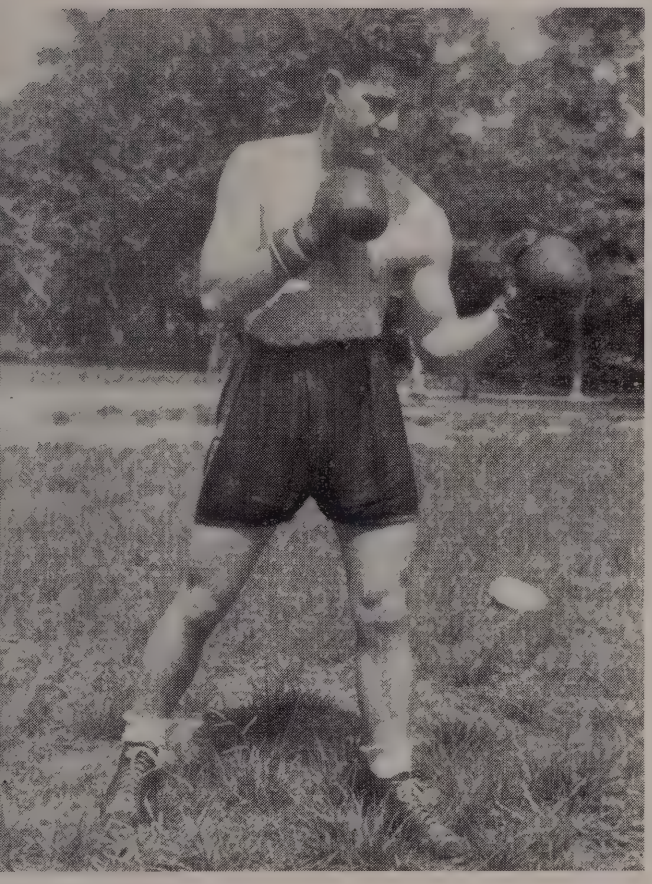
Bay High also did well in the regional boxing tournaments, having seven contestants in the semi-finals, four in the finals and emerging with two heavy weight champions. The two champions are Theodore Thomas and Linwood Rutherford, both seniors.

THE PEP SQUAD AND CHEERLEADERS

GEORGETTE HALE GERTRUDE MONTI LUCY WESTON

SUPERIOR ATHLETES

The coveted athletic awards annually presented to the boy and the girl of the Senior Class who have been most outstanding in athletics during the four years of high school, go, this year, to two unusually fine athletes and splendid leaders.



THEODORE THOMAS

Teddo has distinguished himself and stamped his name in the Bay High Hall of Fame by being one of the few in history to letter in four sports. Teddo has to his credit four years of top-notch football at Bay High, two years of basketball, and one year of track; but it is in the field of boxing that he excelled. Thomas has won two state championships and one regional championship in this sport.

"A man in his own right; a gentleman, too."

GERTRUDE MONTI

Gertrude has the distinction of having played six years of varsity basketball, a record equalled by few, and of having been chosen All-Tournament guard two years in succession. Her indominatable spirit, splendid leadership and skill did much to help her team win two regional championships and to stamp her as one of the finest players the Coast has ever seen. Besides basketball, Gertrude has four years of track and participation in every intramural sport over a four-year period.

THE BOOSTERS CLUB

H. D. KIRKPATRICK . . . . President

MAY FESTIVAL

The climax of all the school activities is the annual May Festival held by the students of Bay High. This Festival is also the culmination of the entire Point System on which all the extra curricular of the school is based. Every student receives so many points for each activity in which he participates after he has met all of the set requirements. The May Festival is under the capable and artistic direction of Miss Gertrude Perkins. Miss Perkins is also the originator of the May Festival and the decorations and scenery each year are designed by her and made under her supervision.

The qualifications for a student to take part in the May Festival are so arranged that only high school students showing superior work in their classes and participating in a certain number of activities can qualify.

The king and queen are selected by popular vote by the students from those qualifying in the Senior Class. The remaining are called Maids and Dukes of Honor with the exception of the runners-up who are known known as the Prince and Princess.

WE THANK YOU...

We, the staff, especially wish to thank our patrons for their financial support and their faith in our attempt to publish the first yearbook at Bay High School. It was the confidence and financial backing of the merchants and places of business that spurred us on to a bigger and better annual than even we had dreamed of having.

We thank in addition these individuals and organizations for their efforts to make this book possible:

The Senior Class for its wholehearted support and assistance; the Booster's Club for its financial aid; Mr. and Mrs. Dole for their excellent photographic workmanship and full cooperation; Mr. Chris Eichhorn of the Crescent City Engraving Co. for his interest in this book; Mr. Theo H. Harvey for his valuable assistance in arrangement of copy and his extreme patience with such an inexperienced staff; and Miss Gertrude Perkins for her help and personal interest.

As this book goes to press, we are grateful for having had the opportunity to leave behind a permanent record of happy memories.
